

THIRD TRANSNATIONAL MEETING, DUBLIN, IRELAND

With the goal of finishing the work package (WP) 3 and to evaluate the fulfillment of the implementation of the project (methodology, aims, period, budget, results, ...) and dissemination up to the date, to analyze the conclusions drawn from the WP3 and to plan the work package 3, the partnership held the second transnational project meeting in Dublin, Ireland on 2-3 July 2018.

During the first day of the meeting, the partners overviews the project activities up to date. The meeting was about the training content. There made some improvements to the training tool.

On the second day of the meeting, the partners made a study visit to Trinity College in order to discuss the study findings with the health professionals. The comments of the professionals were in line with the study results that communication skills should be developed in terms of social inclusion.
